Important Safety Reminder

As boiler replacement works are currently underway at primary, we kindly ask that parents and carers **do not visit the primary office** in person until the works are complete.

This is an important safety measure to help keep everyone safe while contractors are working on site.

If you need to contact the school, please telephone, email or pass a message to a member of staff on the yard.

We appreciate your cooperation and understanding while these essential works are taking place.

Thank you for helping us to keep everyone safe.

House Team Captains 2026 – 2027

There has been a real buzz around primary over the past week as pupils have taken part in the elections for this year's House Team Captains.

Children who wished to stand for election prepared thoughtful speeches, sharing their ideas and explaining why they would be great representatives for their house teams.

The candidates showed tremendous confidence and enthusiasm as they spoke to their peers. It was wonderful to see so many children putting themselves forward and demonstrating our values through their leadership aspirations. Each candidate should be incredibly proud of the courage they showed when presenting to an audience.

Following the speeches, pupils across school had the opportunity to cast their votes, experiencing a democratic process first-hand.

We are delighted to congratulate our newly elected House & Vice Team Captains and look forward to seeing them lead their teams, organise events and act as positive role models throughout the year.

Mystery Reader

We are looking for volunteers from our school community to become a Mystery Reader for our Reception class!

Mystery Readers are invited into school to share a favourite story with the children, keeping their identity a secret until the big reveal. The excitement and anticipation will build throughout the week as the children eagerly guess who might be coming through the door. Could it be Sue from Tesco? Or Louie's Gran?

This will be a wonderful way to promote a love of reading and create special memories for our children.

Please contact the primary office if you would like to volunteer.

Clothes Bank

Have you had a summer wardrobe sort out? If so, please consider donating to our clothes bank. The Federation receives a percentage of all of your donations.

The clothes bank is situated next to the main entrance gate to primary and can be accessed between 7:30am and 5:30pm weekdays.

Please support us if you can.

Thank you.

Making a difference together

Throughout the year, we will be supporting a number of charities that do important work for people, families and communities locally and beyond. By taking part in fundraising events, our children have the opportunity to learn about the needs of others and experience the wonderful feeling that comes from helping someone else.

We understand that families are facing financial pressures, and we want everyone to feel comfortable and included. We have shared details of the charities we are supporting so that you can choose whether you would like to take part and which causes you may wish to support.

Whether you are able to support one event, or all of them, every contribution is valued and appreciated, no matter how big or small.

And if you are unable to make a donation, please don't worry — that is absolutely fine. Simply talking to your child about kindness, helping others and the importance of looking after our community is a valuable contribution in itself.

Thank you for your continued support and for helping us nurture a caring and compassionate school community.

Jeans for Genes

Friday 18th September

Did you know that around 1 in 25 children are affected by a genetic disorder? Jeans for Genes Day is a national event that raises funds and awareness to support children and families living with genetic conditions. It shines a spotlight on their achievements and the fantastic charities and organisations that work alongside them.

For over 30 years they have helped change thousands of lives, provide specialist nursing care to children affected by genetic conditions, fund life changing research into gene therapy and provide grants to hundreds of charities who support children with genetic conditions

Next Friday, children are invited to come to primary and nursery wearing their jeans (or other denim clothing) instead of their uniform. Children in primary will also spend some time learning about Jeans for Genes Day and how it helps raise awareness of genetic disorders.

Please do not bring cash donations on the day! If you would like to make a donation please visit

Thank you for supporting this important cause!

MACMILLAN
CANCER SUPPORT

Harvest Appeal

We are delighted to be supporting the County Durham & Sunderland Foodbank again this year, as part of our Harvest celebrations.

Last year County Durham & Sunderland Foodbank provided 12,047 food parcels to 22,199 individuals. A large proportion of this food came from the harvest collections of schools, churches and community groups.

If you are able, please consider donating one or two items from the list opposite. The foodbank only works with non-perishable food items (tinned and dried goods), which do not spoil or decay. This means that neither the foodbank nor the recipient has to worry about storing the food in a fridge or freezer, and there is less likelihood of food going to waste.

Rosh Hashanah – Jewish New Year

Rosh Hashanah is a festival of celebrations to mark the Jewish New Year.

The dates of Jewish festivals come from the Hebrew Calendar, so the Jewish New Year begins in autumn, as opposed to 1st January.

This year, Rosh Hashanah falls on Monday, September 22nd and ends on Wednesday, September 24th.

Rosh Hashanah is a celebration of the creation of the world and marks making a fresh start. It is a holy day on which Jewish people are not expected to work. Instead it is a time for them to reflect on the past year and to ask for forgiveness for anything wrong they feel they may have done.

One of the traditions of Rosh Hashanah is to blow a big horn called a Shofar. The sound of the Shofar marks the beginning of the 10-day period called the Days of Awe, leading up to another Jewish festival called Yom Kippur. Yom Kippur is the most solemn day in the Jewish calendar. It means Day of Atonement and Jewish people don't eat or drink for 25 hours. It's a day to reflect on the past year and ask God's forgiveness for any sins.

Happy Rosh Hashanah to all those celebrating!
